

List of Dyslexia Resources Type of Service	Name of Organization	Contact information or webpage
Assessment/Learning Evaluation		
The Children's Hospital	Speech and Language Learning Services Department to request a learning evaluation. Does accept Medicaid.	720-777-1234 www.thechildrenshospital.org
The Dyslexia Center	All assessments and evaluations are conducted by members of a multi-disciplinary team including psychologists, speech-language pathologists and reading specialists. Offering Literacy Skills Assessments and Educational Assessments, as well as Comprehensive Cognitive/Educational Evaluations.	Colorado Springs: 719-227-0026 Denver: 720-231-1187 www.thedyslexiacenter.org
University of Denver (DU)	The Developmental Neuropsychology Clinic provides learning disability and neuropsychological evaluations for children and adolescents, and learning disability evaluations for adults. We are located in the Psychology Department at the University of Denver and are part of a nationally known neuropsychology research laboratory that studies children and families who have problems with dyslexia, Attention Deficit Hyperactivity Disorder, and autism.	Suzanne Miller, our clinic coordinator, at 303.871.4403 http://www.du.edu/psychology/dnrl/clinic.htm
University Boulder CO (CU Boulder)	Institution of Behavioral Genetics: at Colorado Learning Disability Research Center (conducting twin research study and coexist ADHD and reading difficulties study.	(303) 871-4403
Assistive Technology Assessment (ATAT)	Requested through your child's school and provided by the school district's special education/exceptional student services/differentiated learning department after other evaluations and plans are underway.	Contact your local school's special education teacher or district's Special Education or Exceptional Student Services Department
Child Find w/in CO school districts	Evaluations are conducted by the Child Find team at no cost to parents. Once the Child Find evaluation team, which includes the parents, has gathered sufficient information used to determine a child's eligibility for early intervention or preschool special education services, an Individual Family Service Plan (IFSP; birth to three years of age) or an Individual Education Plan (IEP; three to five years of age) is developed and services begin shortly. Children under the age of six may be referred at any time for an eligibility determination for early intervention (ages birth through three) or preschool special education services (ages three through five). Early Intervention services for children birth to three years of age are provided through Early Intervention Colorado.	http://www.cde.state.co.us/early/childfind.htm Directory by district: http://www.coloradoabcd.org/Documents/CF%20Directory.pdf
Private professionals	Review criteria for who is qualified to evaluate and diagnose for dyslexia. Both IDA and Schwab Center for Learning have articles for some guidance. www.greatschools.org/special-education/LD-ADHD/tutor-for-your-child-with-ld.gs?content=749	http://www.interdys.org/ewebeditpro5/upload/CO_rsd_2010_0824.pdf
Instruction/Remediation Services		
International Dyslexia Association (IDA)	The International Dyslexia Association (IDA) works diligently to provide information to the public regarding informed, evidence-based reading instruction and professional development for teachers and intervention specialists. IDA fully supports the work of The Alliance for Accreditation and Certification of Structured Language Education, Inc. (The Alliance, www.allianceaccreditation.org), the International Multisensory Structured Language Education Council (IMSLEC, www.imslec.org) and The Academy of Orton Gillingham Practitioners and Educators (AOGPE, www.ortonacademy.org)	http://www.interdys.org/ewebeditpro5/upload/IDA_Position_Statement_Dyslexia_Treatment_Programs_template(1).pdf
Student Resources & ATAT		

Recording for the Blind & Dyslexic (RFB&D)	Free service for qualified individuals. Recording for the Blind & Dyslexic (RFB&D) works with leading publishers and technology innovators to bring accessible materials to individuals with visual and learning disabilities. Available in every grade level and most subjects, RFB&D textbook and literature titles are used nationwide. In addition to the classics, RFB&D's digital library provides current editions of state adopted texts ensuring students learn from the same versions as their classmates. Our textbooks, literature titles and other adult resource books are suitable for individuals, students and working professionals so that all can participate in lifelong learning.	http://www.rfbd.org/
Colorado talking Book Library (CTBL)	A free service to Coloradans of all ages who are unable to read standard print material due to visual, physical or learning disabilities whether permanent or temporary. CTBL provides audio, Braille and large-print books and magazines.	(303) 727-9277 (800) 685-2136 ctbl.info@cde.state.co.us www.cde.state.co.us/ctbl
County Public libraries	(Audio books in formats: mp3 players, tapes, CDs, & downloadable)	
Bookshare	Free for all U.S. students with qualifying disabilities. Student memberships are currently funded by an award from the U.S. Department of Education Office of Special Education Programs (OSEP).	http://www.bookshare.org/
Radio Reading Service of the Rockies, Inc. (RRSR) (reads newspapers)	A 501(c)3 non-profit, volunteer based, reading audio information service for Colorado's blind, visually impaired and print handicapped children, youth, working age adults and senior citizens. RRSR broadcasts enable those persons who for a variety of reasons cannot effectively read newspapers and other printed documents. Realizing that knowledge is power, the mission of RRSR is to normalize and empower the lives of a largely invisible segment of society; to decrease their sense of isolation; to increase their independence; to promote education; and to foster their connection with their individual communities.	www.rrsr.org
The Audio Information Network of Colorado (AINC),	Previously Radio Reading Service of the Rockies, was founded in 1990. AINC is a 501(c)3 non-profit, volunteer-based, broadcast and audio information service for Colorado's blind, visually impaired and print handicapped residents. AINC's services provide access to otherwise inaccessible ink print materials.	http://www.aincolorado.org/index.php
Talking Keyboards	"Fusion" by Writer Learning-Handwriting and spelling challenges sharply reduce the joy, the quality and the quantity of student written work. From simple note taking to advanced writing and communication support, the Fusion is designed to assist a wide range of ages and abilities.	http://www.writerlearning.com/special-needs/fusion.php
Talking Calculators	Calc-u-vue Talking calculator by Learning Resources http://www.amazon.com/Learning-Resources-Calc-U-Vue%C2%AE-Talking-Calculator/dp/B000EG6EZA	www.learningresources.com
Talking Spell Checkers	Franklin Spell Checker-Improve your child's reading and writing skills with this interactive speaking dictionary. Over 40,000 easy-to-understand definitions are pronounced for effective vocabulary learning. The automatic phonetic spell corrector turns "nolij" into "knowledge" while an animated handwriting guide demonstrates print and cursive styles. Includes a rhyme finder, five word-building games, and a vocabulary word list that can be created by the user.	http://www.franklin.com/estore/dictionary/kid-1240/#second
Recording & Talking pens	Record Everything, and Play it Back: While you're writing, your smartpen is remembering—linking everything you hear to everything you write. Later, simply tap on your notes to replay the recording. Now you can find and get what you need, instantly, with a tap.	http://www.livescribe.com/en-us/smartpen/
Speech to Text software	Dragon Naturally Speaking - Dragon NaturallySpeaking Home speech recognition software lets you interact with your PC just by talking! It understands what you say and how you say it. Speak words and they appear on the screen — three times faster than typing.	http://www.nuance.com/for-individuals/by-product/dragon-for-pc/home-version/index.htm

Assistive technology devices	Humanware-Over the past 25 years, HumanWare has been offering a complete range of innovative assistive technology solutions that empower students who have visual impairments and learning disabilities. Since the very beginning, our focus has been to ensure that the assistive technologies developed enhanced the learning experience in schools as well as facilitated other areas such as organization, independence, orientation and mobility, as well as leisure and recreation.	http://www.humanware.com/en-usa/products/learning_disabilities
Assistive Technology Partners (ATP)	Assistive Technology Partners envisions a world where all persons with cognitive, sensory, and/or physical disabilities are engaged in life at home, school, work and play, without barriers and without boundaries.	303) 315-1280 (303) 837-8964 (TTY) (800) 255-3477 www.assistivetechologypartners.org
The Colorado Assistive Technology Project (CATP)	This resource was designed to enable individuals with disabilities to have gain a greater control over their lives thereby enhancing their participation in numerous life activities. The CATP provides outreach to rural and underrepresented populations, offers technical training throughout the state as well as advocacy, training and technical assistance for assistive technology.	Phone: (303) 315-1280 Phone: (800) 255-3477 (In State) TTY: (303) 837-8964 Fax: (303) 837-1208 lorrie.harkness@ucdenver.edu http://www.assistivetechologypartners.org
The Listening To Learn Guild, Inc. (LTLG)	The Listening to Learn Guild, Inc. Created the Denver Dyslexia Awareness Blog . The Listening To Learn Guild is a 501 (c) 3 organized in Denver, Colorado, USA by a group of dedicated parents and volunteers to promote awareness about dyslexia in our schools, provide resources to parents, and to provide funds to school districts and other organizations for educational assistive technology.	www.DenverDyslexiaAwareness.com
Advocacy

Conferences		
Reading in the Rockies	Sponsored by International Dyslexia Association-Rocky Mountain Branch. Held in October, this event offers a time and place for teachers to learn, interact, and relax in a beautiful environment.	http://www.dyslexia-rmbida.org/ritr/introduction.html

Parents Encouraging Parents (PEP)	Sponsored by CDE twice a year FREE to attendees. The conferences are available to Colorado residents who have a child with a disability from birth to twenty one years of age. It is also a valuable resource for administrators, educational staff, and other service providers.	Phone: 303-866-6846 Website: cde.state.co.us/cdesped/PEP.asp
Courage To Risk	The Courage to Risk Conference is a collaborative conference comprised of a variety of organizations committed to the educational success of students with diverse learning needs. The mission of the CTR conference is to provide quality educational experiences to parents, students, teachers, and community members; to provide networking experiences for participants; to motivate those working with students with diverse learning needs. The CTR committee seeks to accomplish this by planning a conference in Colorado for educators, and families of students with diverse learning needs.	http://couragetorisk.org/index.html
Math on the Planes (MOP)	Welcome to an exciting year of professional-development opportunities for district and building-level intervention teams including general and special education math teachers, instructional leaders, and interventionists. This series of workshops will increase a team's capacity for responsive instruction with learners with math disabilities as well as all others who struggle in math. Participants will work with national and state leaders in the field of mathematics, accessing the most current information on supporting learners within the three-tiered RTI Model.	http://www.cocld.org/MOTP.html
Odyssey Project	2010-11 Odyssey Project: LETRS Module 6:Digging for Meaning: Teaching Context Comprehension	http://www.cocld.org/Odyssey_Project.html
